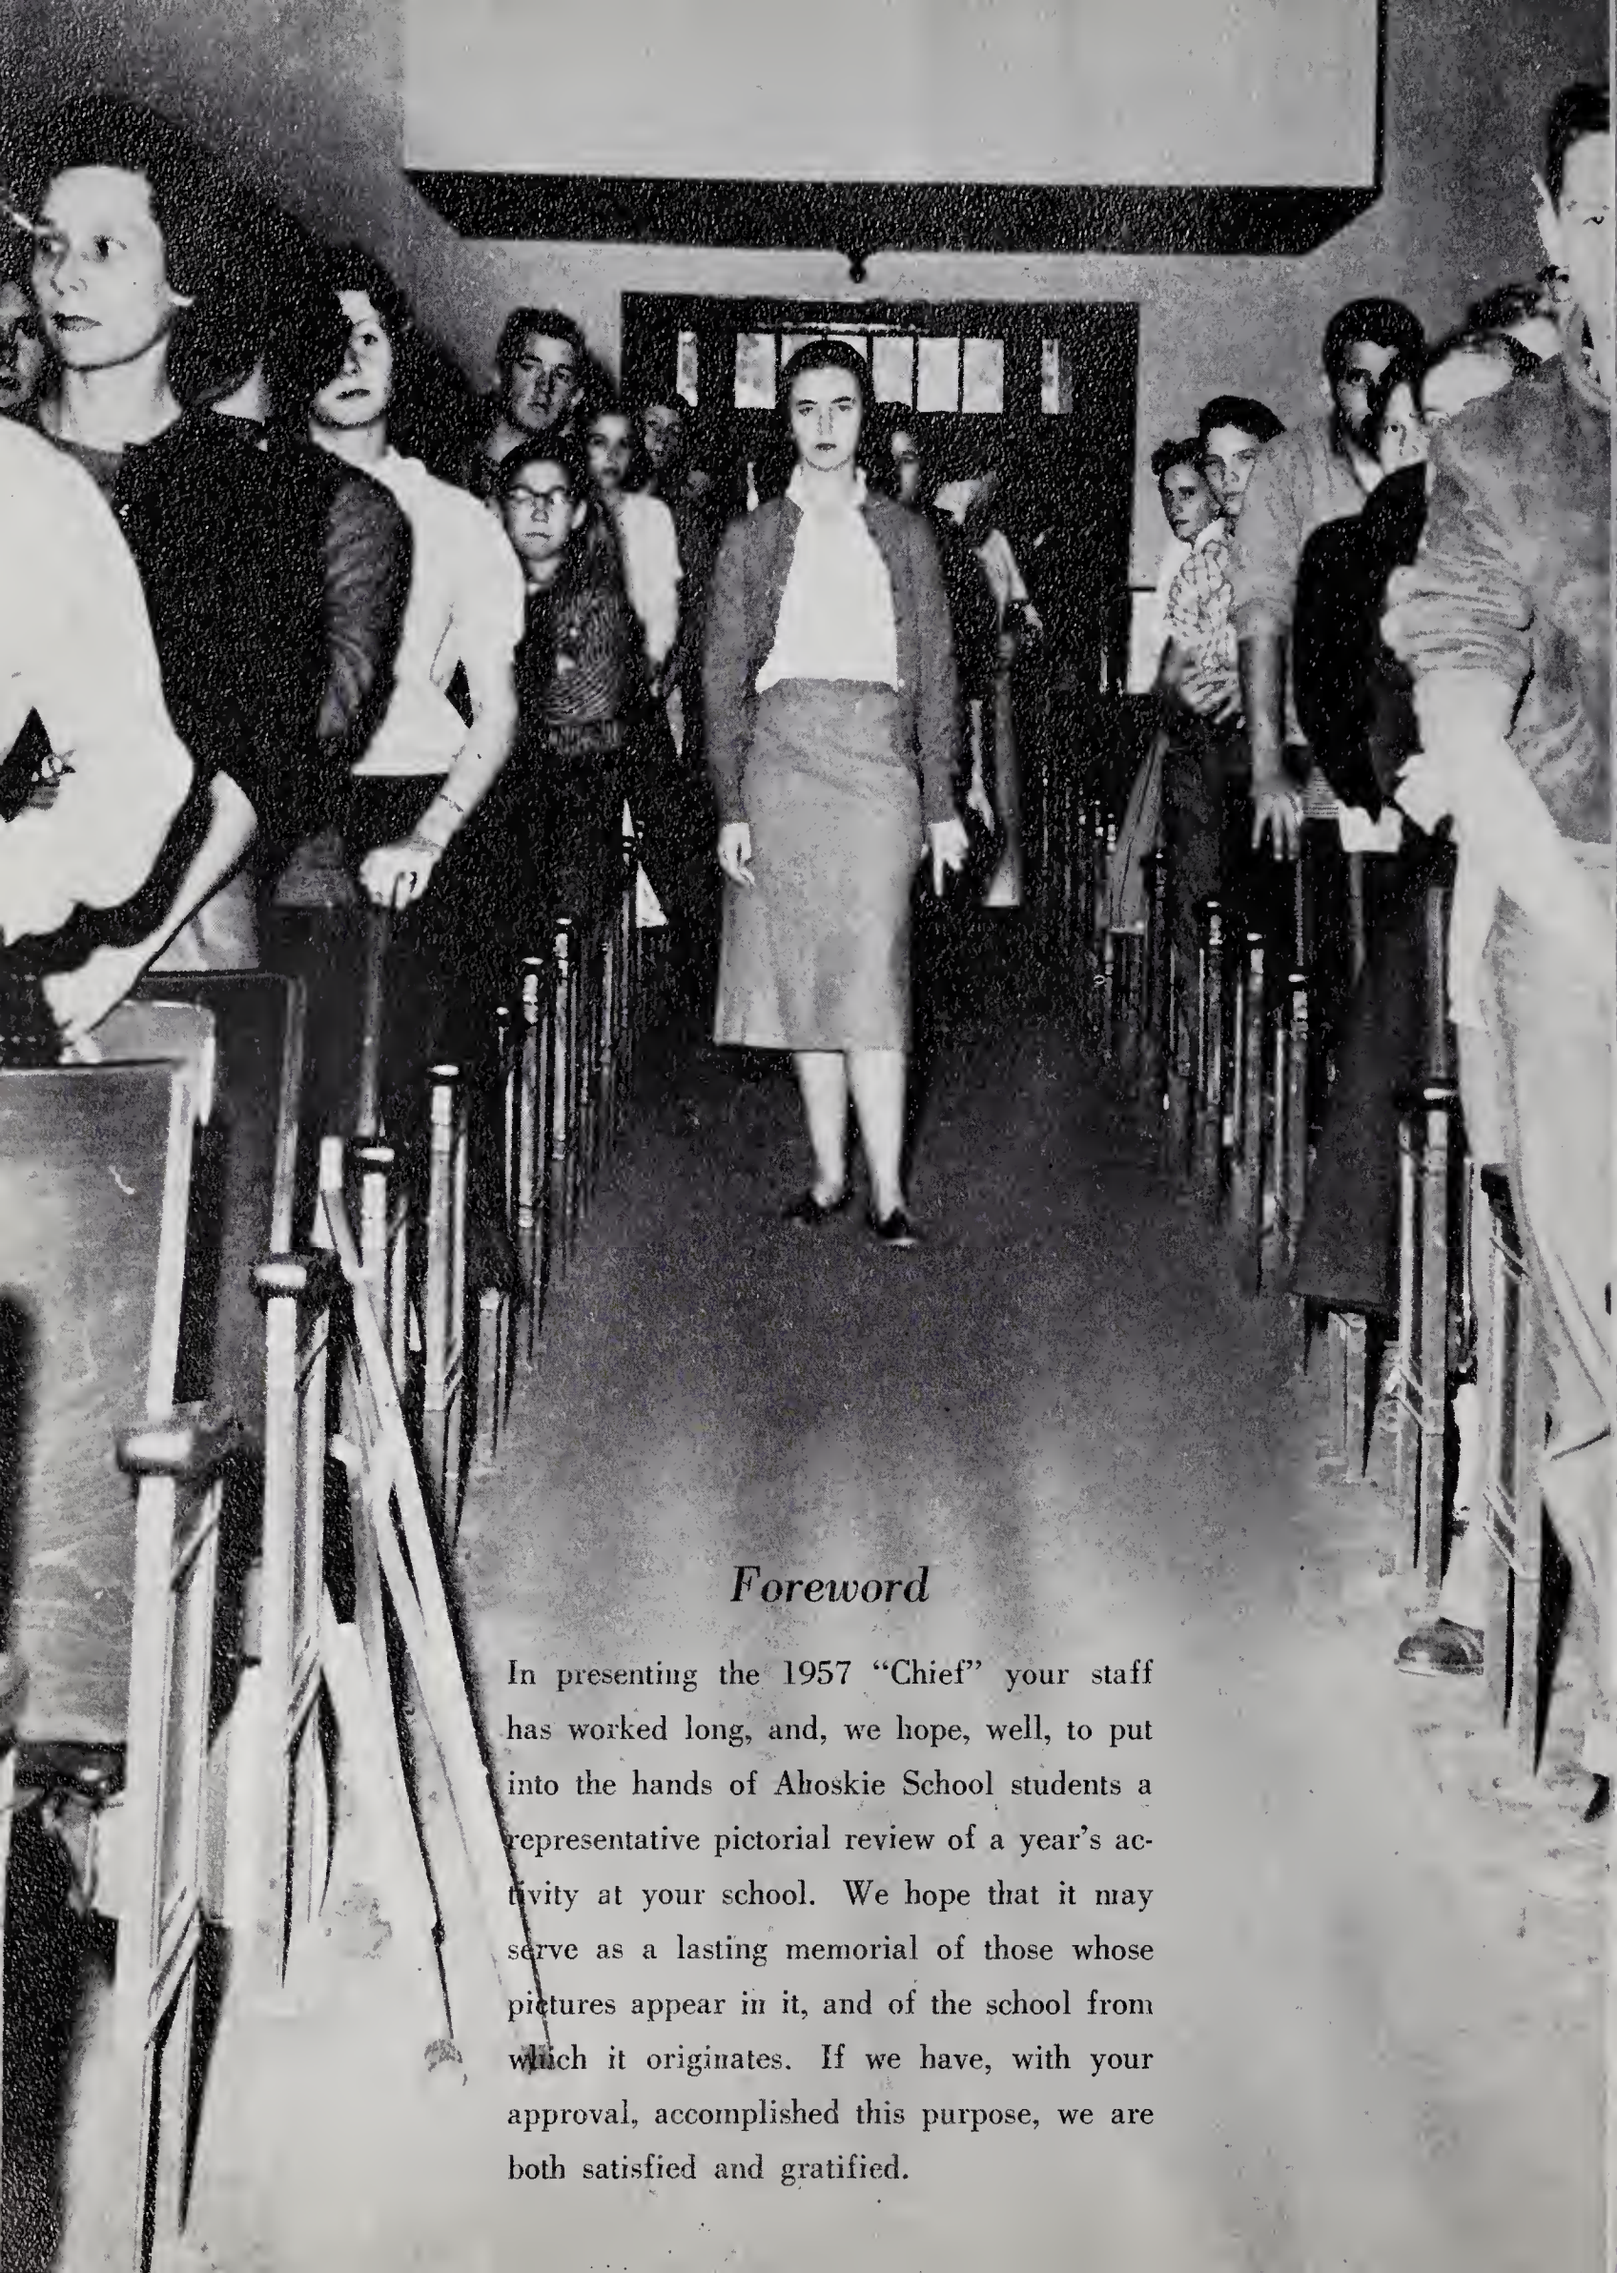
THE CHIEF
1958

VOLUME TEN

Published by Senior Class
Ahoskie High School
Ahoskie, North Carolina



Foreword

In presenting the 1957 "Chief" your staff has worked long, and, we hope, well, to put into the hands of Ahoskie School students a representative pictorial review of a year's activity at your school. We hope that it may serve as a lasting memorial of those whose pictures appear in it, and of the school from which it originates. If we have, with your approval, accomplished this purpose, we are both satisfied and gratified.

Known as the lady who has "a magic touch with children," this teacher has enjoyed the love, confidence and respect of all those students who have the good fortune to sit in her classroom. Her inspirational guidance has been a blessing to countless boys and girls.

It is with pleasure, pride, and appreciation that the staff of "The Chief" for 1957-58 dedicates this publication to Mrs. Sam J. Boyette.

Dedication

Administration . . .

Superintendent's Message

To the Seniors,

During the past years you have striven to make your school one of the finest schools in the state. Your efforts have been successful in numerous ways—the improved standards of scholarship, the student cooperation in every phase of school work, success in extracurricular activities, excellent trusteeship of property, and many other outstanding accomplishments.

Now, as you approach graduation, may you always have the courage to encounter hardships, the wisdom to seek the proper solutions to your problems, and the faith to surmount all obstacles. And may you ever find joy in serving others, be willing to forgive, and always love mankind.

Sincerely,

RUSSELL P. MARTIN

Principal's Message

As principal of Ahoskie School it affords me great pleasure to extend to the staff of THE CHIEF my congratulations on this publication which represents in a worthy manner the school of which you are a vital part.

To each and every member of our high school student body I extend my best wishes and kindest regards. My desire is that you may become better citizens of your school, state, and nation through the activities which have challenged your interest and your ability as you have here been laying the foundation for the busy life ahead. It is my belief that the world will be a better place to live in, if the citizenship you have learned here is put into practice.

The work of the Council varies from year to year. Some of the activities for this year have been assisting in College Day, preparing the annual Homecoming program and the noon recess dance program, giving a Christmas party for all High School students, monitoring for P.T.A. open house and District meetings, and maintaining a morning devotion on the public address system.

Future Homemakers of America

Future Homemakers of America is the National organization of pupils studying homemaking in Junior and Senior High Schools of the United States. F.H.A. brings together local, state, and national groups interested in and working toward better home and family life. This organization provides opportunities to share in solving problems important to home life.

Membership, which is entirely voluntary, consists of school girls enrolled in homemaking and those who have been so enrolled.

Future Farmers of America

The F.F.A. is an intra-curricular activity having its origin and root in a definite part of the school curriculum—vocational agriculture. It is organized vocational education on a farm youth level. Among other things, members learn through active participation how to conduct and take part in a public meeting; to speak in public; to buy and sell cooperatively; to solve their own problems; to finance themselves; and to assume responsibility. The foundation upon which the Future Farmers of America is built includes leadership and character development, thrift, scholarship, improved agriculture, citizenship, and patriotism.

Indians get revenge

In the first game of the season Ahoskie stormed over Scotland Neck 32-0 here September 6.

Five different backs got into scoring act. Baker, Hackett, Rogerson, Hartley, and Davis scored one each.

Douglas White made both extra points for Ahoskie.

The Scots never made a threat on the Indian goal because of a tight Ahoskie defense.

Yellow Jackets sting in last three minutes

In a defensive battle plagued with penalties, fumbles, interceptions, and punts, Roanoke Rapids edged Ahoskie 6-0 here September 13.

Not until the fourth quarter did the Yellow Jackets' Bobby Gray sweep around end for pay dirt, however the conversion was short.

Ahoskie's defense proved to be its most valuable asset.

Ahoskie's Wayne Baker accounted for three touchdowns as the Indians swept past Plymouth 39-13 there on September 27.

Other than Baker, Rogerson, Hartley, and Williams got one T.D. apiece. Doug White made all three extra points.

Late in the second half Plymouth finally cracked the tight Ahoskie defense when Brown passed for two touchdowns.

Indians walk over Spring Hope

Wholesome scoring seemed to be the objective with Ahoskie tallying 59-0 over Spring Hope there on October 4.

Of the nine touchdowns two each were credited to Rogerson and Hackett. Also in line for T.D. honors were Overton, Brown, Hartley, Davis, and West with one each.

Aces get scare of life

On October 25 Ahoskie traveled 40 miles to almost upset Edenton.

Robert and Bruce White picked up all of Edenton's T.D.'s in the first half and early in the second. After that Ahoskie dominated the game with Hackett and Davis getting two each.

Overton booted three conversions for Edenton while Hackett went over twice for Ahoskie.

Indians and Green Wave fight deadlock

On the night of November 15 the Williamston Green Wave met the Ahoskie Indians here. In the first quarter Stalls, a tackle, fell on the Green Wave's own fumble behind the Indian goal.

In the second quarter Davis caught a pass and went all the way for a T.D.

Muse kicked the P.A.T. for Williamston and Hackett made the extra point for the Indians.

Ahoskie bows to Washington, 26-7

Washington rolled over Ahoskie 26-7 here October 10. Cochran led the visitors scoring as he went over for two T.D.'s.

The Indians' only score came from a blocked punt by King on the Pam Packs 16-yard line.

Summary of '57 Season

Although the Indians worked harder than the record shows, the team came up with a won—3, lost—6, tied—1 record for the season. In the Edenton and Williamston games the Indians almost fooled the "so called experts" who predicted a four touchdown victory for the foes. We didn't quite do it though we lost the Edenton game by 1 point and tied Williamston. A 11 year record is now won—89, lost—25, tied—4.

The Annual Staff would like to thank the coaches for their continuous efforts with the team.

NO TRESPASSING

My dearest Carolyn,

When I told you yesterday that you were the most wonderful girl I have ever met, I meant it and that goes for always, too! As you very well know, we have really had some very wonderful times together. I will always treasure these memories, and I am looking forward to quite a few more to add to our "Storehouse of Dreams."

When you spoke of all the plans we have made, it occured to me that we have really made quite a few. I also hope that they will become realities. Just remember that I will always love you, too.

Always,

Zoble

P.S. (My pen didn't leak).

My dearest Tarowyn (op), we had fun in high school thus far? Do you remember all our suppers last summer? Going to Tuscarora with "Zorro", Larry, and Kenneth? Them getting our dresses wet just for meaness? But it was fun! Latin class was fun the first of the year, but it's really a bore now! Too bad our Latin learning days are nearly over!! (I think). Don't you just love all of Mr. Garreth's "curly" hair? And Biology - Ugh!! Too bad you didn't get the "flu" bug this year, but I really am glad! You're lucky! Can't wait until next year, Juniors. Boy, we're going to be the best, ever -- I can't wait until this summer! The beach, parties, etc.! My license next week, remember? I really am sorry Zobie got hurt this year, but he'll pull through! I know you'll miss him next year, but you'll live through it! Maybe we'll make more history this summer so I'll have something to write about next year! Okay? Seriously, Carolyn, we really have had some fun. Best of luck in everything you undertake and may "Lady Luck" always be with you!

"Marfa"

P.S. (bp) I'll chauffer you until ~~Jan~~ May 1, 1958. Okay

Jaroulyn.
I wish you all
the luck in the world.
Stay as sweet as you
are + hang on to "that
someone special." I'm
sure you + Zoble have a
lasting Romance. I hope
so any way. Don't forget
the fun we had last
summer - maybe this summer
will be just as exciting.
Be sweet. Love ya.
Jenny

Wow!!

Wow!!

Carolyn,

I've greatly enjoyed attending school with you for the past three years. You are such a nice and sweet girl. Always remain as you are today and you're bound to succeed. Zoble and you are quite deserving of each other. I'm sure he loves you. Be good to him and you both are destined for a future of happines. Remember the S.C. meetings, the devotion, and all our classes. Whoa! Don't forget me either!

Wow!!

Yours,
Oran
